## *Town Office Staff*

Town Office Hours: Mon., Tues., Thurs. 8:00 AM- 5:00 PM, Wed. and Fri. closed. (subject to change)  
Phone: 775-1662

Animal Control Officer – Rod MacCuaig		775-1545
Bookkeeper/Office Manager – Nancy Gondella	<a href="mailto:mendontown@comcast.net">mendontown@comcast.net</a>	775-1662
Collector of Delinquent Taxes - Nancy Merrill		775-4689
Dir. Public Safety/Constable – Phil Douglas		775-1662
Fire Warden – Geoff Wells		558-4742
Health Officer - Sara Hebert Tully	<a href="mailto:mendonadmin@comcast.net">mendonadmin@comcast.net</a>	775-1662
Planning Commission - Therese Corsones		773-3413
Road Commissioner - Bill Ellis		773-4402
School Board:		
Michelle Erickson, Chair		775-4283
Erica McLaughlin		770-0556
Christopher Gandin		855-8552
Selectboard:		
Larry Courcelle, Chair		775-2852
Geoff Wells		558-4742
Richard Wilcox		775-3351
Tax Assessor - Spencer Potter		802-496-9689
Town Administrator - Sara Hebert Tully	<a href="mailto:mendonadmin@comcast.net">mendonadmin@comcast.net</a>	775-1662
Town Clerk- Marie Conway	<a href="mailto:mendonclerk@comcast.net">mendonclerk@comcast.net</a>	775-1662
Town Treasurer – _____		775-1662
Zoning Administrator - Steve Cosgrove		775-0065

### ***Meeting Schedule***

Planning Commission	First Monday at 5:15 PM at Town Office
Selectboard	Second and fourth Monday at 5:30 PM at Town Office
Zoning Board of Adjustment	Meets as required

### ***Important Dates***

February 29, 2016	Town Meeting at Mendon Mountainview Lodge, 6:00 PM
March 1, 2016	Local Elections at Town Office polls open 8:00 AM- 7:00 PM
March 14, 2016	Taxes Due at the Town Office
April 4, 2016	Dog License registration due at the Town Office
August 9, 2016	Primary Election
September 12, 2016	Taxes Due at the Town Office
November 8, 2016	General Election

Tree Warden	William Ellis	3/31/16

**Mr. Shapiro's first grade class in the garden at Barstow.**

## Highlights and Objectives

**Financial:** The town ended FY15 with a balanced budget. The proposed budget for 2016-2017 reflects a \$10,390 increase in operating expenses over 2015-2016 with the passage of the appropriation articles. Mendon continues to carry a \$645,100 balance in a line of credit with Mascoma Savings Bank for Tropical Storm Irene expenses. All 28 construction projects from the storm damage have been completed and it is a top priority to get the remaining projects closed out with FEMA to receive final reimbursements in both federal and state funds.

**Infrastructure Improvements:** We received a Better Back Road Grant in 2014 for \$10,000 to construct better erosion control measures, diminish the negative effects on water quality, and increase visibility and safety on Meadow Lake Drive. This project was completed in the Fall of 2015. We were approved for an Agency of Transportation Structures Grant for \$85,500 to engineer and replace a large culvert on Wheelerville Road. Construction is expected for the summer of 2016. We completed one routine culvert replacement on Wheelerville Road in 2015.

**Truck #3 Replaced:** The town purchased a 2015 Ford F550 with Tenco dump body for \$86,782 to replace a 2007 Ford F550. The 2007 truck was sold for \$22,000.

**Elected Officials, Appointed Officials and Staff:** Mendon's full time law enforcement officer, Brent Howard left Mendon for employment in Killington. Roy Prior chose not to continue as Fire Warden. Geoff Wells was appointed Fire Warden. Geoff was also elected to the Selectboard after serving on the Board to fill a vacancy left by Ira Pike. Greg Smith stepped down from Selectboard in March and Richard Wilcox was appointed to fill the vacancy. We hired Greg Webster as a part time employee to assist the road crew. Erica McLaughlin was elected to the School Board. Johnathan Reynolds resigned from the School Board in June and Michelle Erickson was appointed to the Board. Matthew Conway resigned from the School Board in June and Christopher Gandin was appointed to the Board. Matthew Conway, Cort Jones and Michelle Erickson were assigned to the Act 46 Research Committee representing Mendon. Ernie Smalley and Steve Ellerin stepped down from the Planning Commission and Fred Bagley and Nicole Kesselring were appointed to the Planning Commission. Susannah Loffredo was appointed to the Rutland County Solid Waste District. The Selectboard is currently looking to fill positions on the Mendon Zoning Board of Adjustment.

**\*\*WE ARE ALWAYS IN NEED OF VOLUNTEERS\*\*** Please contact the Town Office!

**Garage Improvement Project:** The Selectboard is asking voters to approve a bond in the amount of \$285,000 to construct a new Sand/Salt Shed and make repairs to the Town Garage.

The existing town garage and salt/sand shed was constructed in 1985. The lower 12 feet of the salt/sand shed consists of a cast-in-place concrete wall, with steel framed metal shed sidewalls and roof on top of the concrete. Thirty years of constant storage of salt has eroded the cast-in-place concrete sidewalls to the point where sections of the interior concrete are crumbling and the reinforcing steel is showing. The deterioration has led to an unsafe condition for the continued storage of sand and salt.

In May of 2015, the engineering firm of Dubois & King was hired to evaluate the condition of the existing shed and to prepare a report with recommendations for the repair or replacement of the shed. The Dubois & King report determined that the building was not unsafe to occupy as long as no salt or sand was loaded against the sidewalls. The size of the existing shed and the yearly requirement for sand and salt requires that materials be stacked against the sidewalls in a minimum of two deliveries each winter in order to meet the town's demand. That fact led to the town deciding to consider the construction of a new,

larger shed that would allow for the storage of the total winter sand and salt demand in one delivery instead of multiple deliveries. A new 85' X 70' shed with a steel frame and fabric style construction was determined to have several advantages over the style construction used in the existing shed. The base of the structure will be pre-cast concrete blocks. The floor will be asphalt concrete paving. The proposed new shed size was based on zero stacking against any side walls.

- The cost of a steel and fabric structure is approximately ½ of that of a cast-in-place concrete with steel top structure;
- The site work required for preparation of the steel and fabric structure can be done by the town staff as opposed to a contractor;
- The time of construction is much less for a fabric and steel structure due to the materials used;
- The operational life of a steel and fabric structure is equal to that of a steel framed steel or wood structure;
- The new structure will allow the building to be enlarged so that no stacking against the sidewalls is required, resulting in a safer operation by the town staff.

The construction of a new sand and salt shed will allow the town to use the existing structure, after some minor repairs, for covered cold storage...something that is desperately needed for miscellaneous equipment that currently must be stored outside in the open. The existing heated garage has limited storage space as it houses 5 pieces of heavy equipment in its 3 bays. Also included in this proposal is addressing some repairs to the floors and doors of the heated garage building that is now over 30 years old.

The Selectboard is asking the voters to approve a \$285,000 bond to fund the Town Garage Improvement Project. The estimated repayment schedule would be 15 years at an estimated 2.447% interest rate, resulting in an annual payment of principal and interest of \$25,000 per year or 1.4 cents on the tax rate.

$$\text{Annual Bond Payment/Grand List} = \text{Tax Rate}$$

$$25,000/1,768,512 = \$.0142$$

For every \$100,000 home value the tax contribution to finance this project would be approximately \$14.20 per year.

More detailed information about this project is available on the Mendon website at [www.mendonvt.org](http://www.mendonvt.org).

# Management Discussion and Analysis

## Reporting the Town As A Whole

### The Statement of Net Assets and the Statement of Activities

One of the most important questions asked about the Town's finances is, "Is the Town as a whole better off or worse off as a result of the year's activities?" The Statement of Net Assets and the Statement of Activities report information about the Town as a whole and about its activities in a way that helps answer this question. These statements include all assets and liabilities using the accrual basis of accounting, which is similar to the accounting used by most private –sector companies. All of the current year's revenues and expense are taken into account regardless of when cash is received or paid.

These two statements report the Town's net assets and changes in them. You can think of net assets – the difference between assets and liabilities – as one way to measure the Town's financial health, or financial position. Over time, increases or decreases in the net assets are one indicator of whether its financial health is improving or deteriorating. You will need to consider other non-financial factors (such as changes in the Town's property tax base and the condition of the Town's roads) to assess the overall health of the Town.

In the Statement of Net Assets and the Statement of Activities, the Town's operations or basic services are reported, including public safety, town infrastructure, recreation, and general administration. Property taxes finance most of these activities.

## Reporting The Town's Funds

### Fund Financial Statements

The fund financial statements included in the audit provide detailed information about the most significant funds – not the Town as a whole. However, the Selectboard establishes many other funds to help it control and manage money for particular purposes (like the Reappraisal Fund) or to show that it is meeting legal responsibilities for using certain taxes, grants, and other money. The Town uses the following accounting approach.

Governmental Funds – Most of the Town's basic services are reported in the governmental funds, which focus on how money flows into and out of those funds and the balances left at year-end that are available for spending. These funds are reported using an accounting method called modified accrual accounting, which measures cash and all other financial assets that can readily be converted to cash. The governmental fund statements provide a detailed short-term view of general government operations and the basic services it provides. Governmental fund information helps you determine whether there are more or fewer financial resources that can be spent in the near future to finance the Town's programs. We reconcile the relationship (or differences) between governmental activities (reported in the Statement of Net Assets and the Statement of Activities) and governmental funds immediately following the fund financial statements,

The Town's Reserve fund balances increased to \$1,294,745 from last year's value of \$1,201,504. Unrestricted net assets (the part of net assets that can be used to finance day-to-day operations without constraints) decreased to \$112,563 from \$369,897 for the fiscal year ended June 30, 2015.

### General Fund Budgetary Highlights

As the Town completed the year, its governmental funds reported a combined fund balance of \$112,563. Total budget exceeded revenue by \$1,410,752 primarily due to Tropical Storm Irene related expenses. Total expenses exceeded budget by \$625,168 due to expenses from Tropical Storm Irene projects.

### Capital Asset and Debt Administration

#### Capital Asset/Reserve Funds

As of June 30, 2015, a broad range of capital assets (including police equipment, building and roads) total \$5,594,036.

#### Reserve Funds

The Town continues to build, maintain and manage its Reserve Fund balances. It is the purpose of the Reserve Funds to cover major purchases without incurring debt. The Town has the authority to borrow from the Reserve Fund in anticipation of taxes.

Fund Title	June 30, 2015	June 30, 2014
Road Equipment & Vehicles	\$256,546	\$402,821
Highway & Bridges	657,925	444,718
Facility Maintenance	95,239	94,627
Reappraisal	144,256	128,805
Law Enforcement	65,125	60,239
Contingency	17,401	17,377
Records Preservation and Restoration	31,192	22,812
New Office Equipment	6,555	4,053
Recreation	6,844	6,304
Cemetery Maintenance	13,662	19,748
Totals	\$1,294,745	\$1,201,504

During the fiscal year 2015, \$145,255 was expended primarily on highways and bridges.

#### Depreciation Schedules

The Town continues to strive to create reasonable depreciation schedules for its equipment in accordance with the GASB-34 requirements. The objective of the Town is to maintain the equipment as long as the maintenance costs make it cost effective to do so.

GASB-34 requires depreciation schedules be established for the Town's roads, bridges, vehicles, equipment and building costs. The town has no plans to incur debt to finance projects. Rather, we will use the current reserve to finance projects. More detailed information about the Town's capital assets is presented in the annual Town Report.

#### Debt

In June 2004, the Town issued a \$275,000 bond for the construction of the new town office building, issued by the Vermont Bond Bank at a net interest cost of 4.38% for the repayment period of 20 years. The principal balance at June 30, 2015 is \$125,000.

The town continues to maintain a line of credit with Mascoma Bank for up to \$750,000 to cover repair expenses caused by Tropical Storm Irene in 2011. The interest rate is 1.25%, and borrowed funds are repaid upon receipt of the federal and state share of the project expenses. The borrowing against this line of credit as of June 30, 2015 is \$645,100.

### Economic Factors and Next Year's Budgets and Rates

Mendon (population 1,089) is primarily a residential community located in Rutland County, Vermont. The town relies heavily on property taxes (85% of total operating municipal revenues), and has adopted a budget for FY 2015-2016 with no anticipated use of prior year fund balance. Overall net debt is low, at \$707 per capita as of June 30, 2015, with \$592 resulting from current balance of line of credit for Irene Storm Projects.

These indicators were taken into account when adopting the General Fund budget for FY 2015-2016. Amounts available for appropriations in the municipal general fund budget are \$1,061,705 a decrease of 0.1% over the FY 2014-2015 budget of \$1,066,686.

A slight reduction in the amount collected with property taxes is expected as a result of this decrease. Budgeted expenditures are expected to decrease 0.1% as well.

The Town has not added any major new programs or initiatives to the FY 2015-2016 budget. We will continue to use the reserve fund for storm recovery projects until the total expenses are determined and if a long term funding plan is necessary.

The school portion of the Town's spending plan will increase 4% to \$2,472,633 from \$2,377,773 for the June 30, 2015 fiscal year. The tax rate change for FY 2015-2016 is related to Mendon's per pupil spending levels compared with State spending averages by town, and then the State's base spending amount per student. School tax revenues are determined by the Vermont Department of Education.

### Risk and Exposures

Any financial plan is fraught with risks and uncertainties. It is impossible to predict the number of accidents on Route 4, the number of snowstorms in a winter, the number of fires within the Town or the possible effects of a major forest fire.

The cost of repairing and replacing the damaged sections of our roads, bridges and culverts is under review now that we have completed the projects. At this time it remains unclear if our reserve fund balance is sufficient to cover the total cost to the town.

Your management team continues to "buy" services when it is cost effective to do so rather than "provide" them. The disciplines established by the management system and GASB-34 ensure that taxpayer dollars are used effectively.

The management team believes that the Town of Mendon is living within its means and provides its governmental services at a reasonable cost.

### Contacting the Town's Financial Management

This financial report is designed to provide our citizens, taxpayers, customers, and investors and creditors with a general overview of the Town's finances and to show the Town's accountability for the money it receives. If you have questions about this report or need additional financial information, contact the town treasurer or Selectboard at the Town Office, 775-1662.

## **Independent Auditor's Report Town of Mendon**

The Town contracted with Angolano & Company of Shelburne Vermont to complete the annual audit of the financial statements of the governmental activities, the business-type activities and the aggregate remaining fund information as of and for the year ended June 30, 2015.

The process also included auditing the financial statements of each of the District's non-major governmental and fiduciary funds for the same period. The audit includes Management's Discussion and Analysis and budgetary comparison information.

The audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Town of Mendon's basic financial statements.

Angolano and Company has stated the audit was in accordance with auditing standards that require them to plan and perform the audit in order to obtain reasonable assurance whether the financial statements are free of material misstatement.

*A copy of the annual audit can be obtained at the Town of Mendon Office.*

## 2016/2017 Estimated Municipal Tax Rate

- (a) Amount to be raised by taxes \$943,122\*
- (b) Estimated Grand List \$1,768,512
- (c) Estimated Tax Rate \$.5333

\* Assumes the voters at Town Meeting approve \$8,666 for funding appropriations.

### Calculation of Municipal Tax Rate

The *Municipal Tax Rate* is expressed as the amount of tax to be paid for each \$100 of assessed value.

**Tax Rate** = Amount to be raised by taxes / (Grand List / 100)

**Amount to be raised by taxes** = total expenditures for general government and roads, reduced by other sources of revenue.

**Grand List** = the total value of all taxable real estate and personal estate taxable to the town.

### 2015/2016 Tax Rate:

**Homestead = \$1.8298**  
 (\$.5243+\$1.3045+\$0.0010)

**Non-Residential = \$2.0097**  
 (\$.5243+\$1.4844+\$0.0010)

**Municipal Tax Rate: \$.5243**

2015-2016 Amount to be raised by taxes	\$927,232
2015-2016 Municipal Grand List	\$1,768,512

**Education Tax Rate:**

Homestead = \$1.3045

Non-Residential = \$1.4844

**Local Agreement Tax: \$.0010**

2015-2016 Total Taxes Billed	\$3,387,908

## Appropriations 2015

Total = \$8,666

In accordance with T. 17 V.S.A. § 2642, the Selectboard required petitions for appropriation requests. In order for an appropriation request to be included on the warning for Town Meeting 2016, the petitions signed by 5% of the voters had to be submitted to the Town Clerk by January 14, 2016. In Mendon, these petitions required at least 39 valid signatures.

### **ARC Rutland Area Serving Citizens with Developmental Disabilities**

128 Merchants Row, Suite 302, Rutland, VT 05701 [www.ARCRutlandArea.org](http://www.ARCRutlandArea.org) 802-775-1370  
ARC requests \$1,000 to advocate for the rights of individuals and families with developmental disabilities to be regarded as valued citizens with the same entitlements as a non-disabled individual, including the right to lifelong opportunities for personal growth and full participation in the community.

### **Marble Valley Regional Transportation District "The Bus"**

158 Spruce Street, Rutland, Vermont 05701 [www.thebus.com](http://www.thebus.com) 802-773-3244  
Marble Valley Regional Transportation District requests \$1,200 to provide safe, reliable, accessible and coordinated public transit service to enhance economic, social and environmental quality of life throughout Rutland County and surrounding communities. The Diamond Express and other routes serving the resort community provided rides to and from Mendon.

### **RSVP & The Volunteer Center**

6 Court Street, Rutland, Vermont 05701 [www.volunteersinvt.org](http://www.volunteersinvt.org) 802-775-8220  
Retired Senior Volunteer Program requests \$500 to provide an "Invitation to Serve" program for people of all ages who want to meet community needs through meaningful use of their skills, talents, interests and knowledge as volunteers.

### **Rutland Area Visiting Nurses Association & Hospice**

7 Albert Cree Drive, Rutland, Vermont 05702 802-775-0568  
The Rutland Area Visiting Nurses Association and Hospice requests \$2,600 to provide Rutland County residents with exceptional home care, hospice and community health services. RAVNAH's mission is to provide medically necessary healthcare wherever it is needed, regardless of a client's ability to pay, location of residence, or complexity of health issues.

### **Rutland Mental Health Services**

78 South Main St., Rutland, VT 05701 [www.rmhsccn.org](http://www.rmhsccn.org) 802-775-2381  
Rutland Mental Health Services requests \$1242 to provide individual counseling for children, adults and families, substance abuse treatment services and emergency/crisis services. Rutland Mental Health Services and is committed to providing quality services regardless of an individual's ability to pay.

### **Southwestern Vermont Council on Aging**

East Ridge Professional Building, 1085 US Route 4, Unit 2B Rutland, Vermont 05701-9039 802-786-5990  
The Southwestern Vermont Council on Aging requests \$400 to provide senior meals (Meals on Wheels and Blizzard Bags), case management, Senior Helpline (800-642-5119), Elder Care Clinician program, health benefit counseling, legal service through the Vermont Senior Citizens Law Project, nutrition education and counseling, Senior Companion support, coordination of transportation services, and care giver support and information.

\* Note: \$2,500 for Barstow Youth Club (formerly Barstow Boosters) is included in the Recreation Program line item of the budget. \$100 for Vermont Green Up is included in the Summer Repairs and Supplies line item of the budget.

# Mendon Historical Society

The Mendon Historical Society is a registered 501 (c) 3 non-profit corporation “with the intent to educate and preserve Mendon’s history for the future,” according to our by-laws.

During the past year we undertook a number of projects and activities. In partnership with the Middletown Springs Historical Society, we purchased an LCD projector so that we can see CD’s and DVD’s of photos and films of historical interest on the big screen.

In January, we had reproduced several historic pictures of Mendon, framed them, and presented them to the new owners of Bridge’s Country Store to help them decorate their newly renovated building.

In March we sent out a newsletter and membership appeal to all residents of the town. The response was gratifying with 61 memberships and donations.

In May 14 people joined a hike led by Justin Lindholm to view the northeast corner of Mendon which is just off Route 100N in Killington. The boundary of this corner was in dispute at one time. The hike continued following the Old Turnpike Road from the Killington side along the original route of the Rutland to Stockbridge Turnpike to the Elbow and the Long Trail crossing.

During the summer, we installed a sign on the town’s original town hall (now Adi’s) noting its construction in 1888. This was done to call attention to the building’s historical and architectural significance.

As for the future, we have decided to hold four meetings a year and to focus our efforts on the restoration of the original town hall. The building’s condition continues to deteriorate and we plan to enlist the town to help with this project. To this end, we asked the Selectboard not to give us our usual \$500 annual appropriation, but instead to add that amount to their budgeted contribution to the Reserve Fund established for the maintenance of the building. We thank the Selectboard for agreeing to this.

Another initiative is to apply for an official state commemorative sign highlighting General Edward Ripley. We plan to ask that the sign be located across from Sugar and Spice. Approval of this request is a fairly lengthy process and requires action in the legislature, but we will submit the application soon.

Thanks to all our members for their support and please feel free to contact any of us for more information on any of our activities.

Ann Singiser, President  
Mary Ruth, Secretary

Shelly Susina, Vice-President  
Richard Kaufman, Treasurer

Elaine Latzky, Member at Large

## Rutland Free Library Association, Inc. ANNUAL REPORT 2015-2016

2015 has been a year of many increases in library services and library use at the Rutland Free Library. We had about 11,700 reference questions, nearly doubled from last year. This may be due to the increased number of people visiting the library. On an average day over 400 people come through the door. This would also explain why our computer use statistics have nearly doubled compared to last year.

### **Materials:**

- Vermont Library Catamount Consortium participants are steadily growing. This means that the number and variety of materials available to patrons continues to grow.
- We have begun an inventory to assess our actual holdings, weed out materials that are no longer of interest to patrons, and improve our new material purchases.
- The number of materials checked out (173,079) has continued to rise compared to last year.

### **Technology:**

- We have invested in time and resources to keep our patron computers working. We have over 400 patrons using them each week. We have a Strategic Plan to replace them as they are failing daily.
- We are collaborating with the Vermont Association for the Blind and Visually Impaired to find software for our visually impaired patrons.

### **Programming:**

- The number of our programming attendance (11,600) has tripled compared to last year.
- Children's programming attendance increase is a large part of this. The Lego Program is a big success.
- The library now has a small meeting room available to nonprofit organizations. We are happy to report that both our meeting rooms have become a highly utilized community resource. Some uses are interviews (Skyping), book clubs, organizational meetings, etc.

### **Building Improvements:**

- The new Help Desk is in. It is smaller in order to provide more open space for this high traffic area.
- In May, we will be replacing the failing subflooring around our circulation desk. The replacement tiles will be sound absorbent and easier to maintain while remaining durable.
- We are using a new carpet cleaner with return on investment within a year and a half.
- We have replaced hand towels with hand blowers in the patron restroom to help prevent plugging of the facilities. This has been proven to save staff time and money.

### **Volunteers:**

- We have doubled the number of our volunteers. Our volunteers assist with programs, shelf reading, special events, cleaning, and updating computers. They prove that this is truly a community organization.

### **Finance:**

- The Trustees, Friends of the Library, and volunteers have been working with on our Fundraising. Last Spring we held our mini-golf fundraiser. We nearly doubled the amount raised from the previous event. This April 29<sup>th</sup> we look forward to holding our Tables of Content Event, our major fundraiser.
- The Friends of the Library continue to support us with their book sales. The majority of these monies go toward sponsoring the Vermont Humanities Council First Wednesday Program, purchasing new DVD cases, CD holders, and other timely needs.
- The Library has invested monies in the Vermont Community Foundation in order to increase our investment income in a community responsible manner.

## **RUTLAND REGIONAL PLANNING COMMISSION**

### **ANNUAL REPORT - 2015**

#### **RRPC Mission:**

*To develop and implement a regional plan, to provide assistance to municipalities with the planning process and information gathering, to be a central repository of planning information and to administer regional programs while remaining consistent with our federal and state requirements.*

#### **The Commission's 2015 Activities Included:**

- Technical assistance to municipalities on land use, transportation, water quality, emergency management, agriculture, energy, capital budgeting, and economic development planning.
- Land Use planning, including enhanced consultations with Planning Commissions and Selectboards, the update and implementation of town plans and land use bylaws, and Regional Approval of town plans.
- Use of mapping and GIS capabilities to provide mapping and data collection on a variety of land use, emergency management, water quality, public health and safety, and economic development topics.
- Grant writing assistance and general administration services to municipalities receiving funding from state and federal sources.
- Support of the Rutland Region Transportation Council to provide a forum for public involvement; and to plan for transportation needs of the Region, including roundtables of local road commissioners and outreach regarding Clean Water Act requirements.
- Education, training, and information outreach programs on various topics for municipal officials and reimbursement for program fees for attendance at workshops offered through other organizations.
- Review of Act 250 and Section 248 applications for municipalities, with comments to the Public Service Board and District Environmental Commission.
- Operated the Brownfields Reuse Program by conducting environmental site assessments and remediation planning, and by providing redevelopment assistance to property owners.
- Emergency Management planning for towns including flood resilience and disaster recovery, development of hazard mitigation projects, public assistance community briefings, maintenance of critical facilities lists and updates of local hazard mitigation plans.
- Update of the Rutland Regional Plan, including new Land Use and Agriculture and Forestry chapters.
- Disaster trainings for town officials and first responders through the Rutland Region Local Emergency Planning Committee and emergency management planning including assistance to towns updating their Emergency Operations Plans.
- Supported agricultural viability and economic development through work on an Agritourism Toolkit and collaboration with the Rutland Area Farm and Food Link and VT Farmers Food Center.
- Natural resource and water quality planning, including work with the Rutland Natural Resource Conservation District and Poultney Mettowee Natural Resource Conservation District.
- Partnered with the Vermont Department of Health on projects exploring links between community health and land use planning.
- Energy planning, including the development of guidance documents for local boards.

#### **The Commission's 2015 Activities Specific to Mendon Included:**

- Provided maps of the proposed Jefford's State Forest.
- Assisted the Planning Commission with updates to the Town Plan.

- Updated the Wheeler Road culverts inventory and entered the information into the State bridge and culvert system.
- Worked with members of the Planning Commission to GPS and map the town boundary between Chittenden, Killington, and Mendon.
- Provided training for Road Commissioners on topics including: Road Surface Management System, water quality, hazardous material reporting, weight limit posting, maintenance of small structures and managing roads.
- Assisted the town with the update and submission of the Local Emergency Operations Plan.
- Provided training on the electronic timesheet program.

**Additional 2015 Activities Included:**

- Created model Town Plan language regarding solar electrical generation facility siting.
- Created checklists for towns to use when deliberating over proposed solar or wind electrical generation facilities.
- Provided 13 best practices and how-to guides on agritourism to regional farmers and hosted a two-day conference on using agritourism, education and direct sales to increase farm profits.
- Performed a GIS based regional residential growth analysis in Village Designations, towns and Future Land Use districts, 2005 – 2014.
- Conducted Flood Resiliency checklist surveys.
- Created a user-friendly tool for towns to use to inform conversation about renewable energy developments.

**Barstow 5<sup>th</sup> grade students  
Maker Space**

**A maker space is a hands-on area with tools and resources that inspire students to become participatory learners to uncover their talents and interests by making, producing, solving, creating, collaborating and thinking.**

## **RUTLAND REGIONAL PLANNING COMMISSION**

### **RUTLAND REGION TRANSPORTATION COUNCIL ANNUAL REPORT 2015**

The Rutland Region Transportation Council (RRTC) provides a forum for public involvement in transportation planning; the development of regional transportation planning and priorities for the Region; assistance on transportation projects; coordination on policies and priorities with the Vermont Agency of Transportation; and the promotion and cooperation on transportation issues. The Rutland Regional Planning Commission (RRPC) provides planning, administrative, and geographic information system staff to the Council.

All towns in the Rutland Region can participate in the RRTC and those with representatives appointed by their town to the Council may vote on any issue. Meetings are held monthly, normally on the fourth Thursday, at the RRPC office. All are invited to attend. Questions about the Transportation Council may be directed to: Susan Schreiber, Assistant Director (775-0871 ext. 204) or Richard Baker, Chair (236-2946) or check the website: <http://rutlandrpc.org/transportation.php>.

#### **2015 Highlights Include:**

- Assessed and prioritized the Rutland Region's VTrans transportation project list.
- Assisted in organizing the Pedestrian Assessment with National Highway Traffic Safety Administration in Rutland City.
- Served on the Board of Marble Valley Regional Transit District and participated in strategic planning efforts.
- Facilitated the regional advisory group of Public Transportation for the Elderly and Persons with Disabilities.
- Organized monthly meetings of the Region's Road Commissioners/Foremen on topics such as Road Surface Management System, electronic timesheets, weight limit posting, emergency management /Tier 2 reporting, paving contracts, and maintenance of small structures.
- Represented the RPC/Regional Transportation Council on the Statewide Safe Routes to School Task Force, Public Transit Advisory Council, Blue Cross/Blue Shield Regional Advisory Board, statewide committee for the development of the On Road State Highway Bicycle Plan.
- Assisted Rutland City and Brandon with grant applications for bike/pedestrian feasibility studies and infrastructure projects.
- Served as project manager on Strong Communities, Better Connections grant for BR4/VT4A in West Rutland and Rutland Town.
- Assisted towns of Castleton, Chittenden, Clarendon, Danby, Ira, Middletown Springs, Pawlet, Pittsford, Poultney, and West Haven with culvert inventories as part of the Better Backroads Program.
- Developed a Capital Improvement Plan with Tinmouth local officials.
- Worked on imputing data to [vtculverts.org](http://vtculverts.org), the state on-line culvert database; to reduce towns' local match on bridge and structure grants.
- Provided technical assistance/project management to Rutland City for the Rutland Creek Path (Segments 4 & 5) and Center Street Alley.
- Participated in a High Risk Rural Road study in Danby.
- Conducted traffic studies and counts in Benson, Rutland City, Shrewsbury, and Sudbury.
- Continued and expanded support of the Safe Routes to Schools Program, particularly with the City of Rutland and Town of Pittsford.

Currently and in the future, the RRTC will continue working on these efforts, with the goal of coordinating land use and transportation to create a more balanced, efficient multi-modal transportation network.

## Constable/Director of Public Safety

In 2015 the Constable's office put increased emphasis on community policing in Mendon. Our main thrust, however, remained proactive traffic enforcement on Route 4, Town Line Road and Meadow Lake Drive. A goal of 20% neighborhood patrol and 80% for aggressive traffic enforcement was set. We fell short of our goals in the area of traffic enforcement, but did receive positive feedback from the community for the neighborhood patrols.

In November Special Officer Brent Howard left Mendon to take a position with the Killington Police Department. Mendon re-entered into a temporary contract with the Rutland County Sheriff's Department to provide part-time patrol services for 20 hours each week until the Selectboard decides whether to enter into a full-time contract with them or hire a replacement for Officer Howard. A third option may be to hire two part-time officers to work a total of 30-40 hours each week between them. Input from the residents regarding the law enforcement services we provide is welcomed and can be directed to Constable Phil Douglas, the Selectboard or town staff.

Mendon's calls for service consisted of a mix of truant children, burglary, vandalism, stalking, thefts, trespass, drug paraphernalia, car crashes and VIN verification requests. Mendon's calls requiring expertise and capabilities beyond our abilities were handled by the State Police. As a "bedroom community" we are fortunate that criminal activity is relatively low in our town. The concern that I have, as your Constable, is that our proximity to Rutland City may result in an increase in drug-related criminal activity. Mendon residents should report any unusual or suspicious activity in their neighborhood, to the State Police, Sheriff or the Constable.

The number of false alarms requiring fire department response decreased slightly in 2015 from the previous year. Residents with fire alarm system permits are reminded that the \$750 fee that Mendon is charged by the Rutland Fire Department for response to a false alarm, is billable to the home or business owner by the town under the terms of the permit. While we don't want to discourage alarm systems or calls to the Fire Department when there is a legitimate fire or smoke alarm, owners should try to verify that it's a real alarm and not a faulty alarm system, such as a bad battery. Everyone should install new batteries in their fire, smoke and carbon monoxide detectors every January 1<sup>st</sup>.

I will be working on the town's Hazard Mitigation Plan in the coming months. We will work closely with the Rutland Regional Planning Commission on this document as well as any required updates on the Local Emergency Operations Plan. We are also partnering with the Town of Chittenden to set up an emergency shelter at Barstow Memorial School. We have been approved for a grant from FEMA for an emergency generator that can power the entire school facility during a power outage. The work on installation will begin this spring and should be completed in late spring or early summer. After installation, Barstow Memorial School will qualify as an approved American Red Cross Local Shelter for both towns.

In closing, while the town provides part-time law enforcement services during the daytime, emergency calls should be made to the Vermont State Police via **911**. The State Police dispatcher will then send a trooper or town officer to handle your call. Non-emergency requests for service can always be made to me at 802-345-5923. My goal is to continue to do whatever I can to keep Mendon a safe place to live and work.

Respectfully submitted, Phil Douglas, Constable / Director of Public Safety

# Mendon Delinquent Tax Collector

Turned over for collection on March 15, 2015 were 98 delinquent taxes some for multiple years totaling \$230,608.74. On January 1, 2016 there are 10 delinquent taxes totaling \$43,466.26.

Almo, Ross	\$21531.36
Biasuzzi, Jeff & Theresa	700.14
Comolli, Mario & Marianne	7448.74
Hansson, Craig	1473.04
Mangan, William	1336.38
Mcclallen, Martin	155.77
Richard, Scott	415.27
Skjetne, Bjarne	1650.43
Trahnstrom,Nils	568.57
Senecal, Christopher	8186.56—in bankruptcy

Properties owned by Isaish Ellison and Dalip Malhotra were sold at tax sale this year.

Respectfully submitted  
Nancy Bridge Merrill, Delinquent Tax Collector

## Dog License Report

174	Neutered males or spayed females	\$1,590.00
5	Males not neutered	50.00
10	Females not spayed	100.00
	Late Fees	<u>108.00</u>
		\$1,848.00
	State of Vermont Rabies Control	<u>636.00</u>
	Total to General Fund	\$1,212.00

Please register your dog on or before April 1, 2016 to avoid a late charge. Due to an increased state surcharge, the fee to registered spayed or neutered dog will be \$11.00. For an unsprayed or un-neutered dog, the fee will be \$15.00.

The State of Vermont requires a current rabies vaccination certificate to be on file at the Town Clerk's Office.

Failure to register your dog is a violation of the Mendon Animal Control Ordinance.

## **Mendon Planning Commission**

The Mendon Planning Commission includes members Phil Douglas, Neil Langer, Bill Godair, Justin Lindholm, Teri Corsones and new members Fred Bagley and Nicole Kesselring. The Town owes an enormous debt of gratitude to out-going members Ernie Smalley and Steve Ellerin for their many years of dedicated service to the Mendon Planning Commission.

The Planning Commission has jurisdiction over subdivision permit applications and applications for building development for other than one or two-family residences. The Mendon Planning Commission meets on the first Monday of each month at 5:15 p.m. at the Mendon Town Offices.

In addition to its regular jurisdictional work, this year the Planning Commission completed its review and updating of the Mendon Town Plan to ensure its compliance with state statute, the Mendon Subdivision Regulations and the Mendon Zoning Regulations. Public hearings for the updated Town Plan were held before the Plan was re-adopted by the Select Board in December, 2015. Thank you to everyone who participated in the review and updating process.

Please contact the Mendon Planning Commission regarding any questions or suggestions you have about the planning process, or if we can be of assistance to you.

Respectfully submitted,  
Therese Corsones

## **Zoning Administrator**

2015 was another modest year in terms of zoning permits issued, with no new single family home permits issued. However, one new camp/recreational home was built in the Wheelerville District and a new snack bar-mini-golf course was constructed in the Village.

The breakdown of permits issued in 2015 is as follows:

- 1 new camps;
- 2 assorted additions for bedrooms, sheds, garages, and decks;
- 2 certificates of compliance;
- 4 new signs;
- 3 Planning Commission commercial site Plan Reviews.
- 1 appeals to the Board of Adjustment for site plan review for camps in Wheelerville.
- 1 new snack bar/mini-golf.

I have no regular office hours. However, I can be reached by phone during business hours on Monday thru Fridays at 775-0065 to make a specific office or home appointment or answer your questions. Messages can also be left at the Town office. If you hear or see any apparent zoning violations, please call me to investigate.

Respectfully submitted,  
Stephen Cosgrove, Zoning Administrator  
775-0065

## Assessor's 2015 Report

In 2015, thirty-nine properties received change of appraisal notices. Nine property owners elected to grieve the appraisal for their property. Three property owner appealed the decision to the Board of Civil Authority (BCA). Two of the properties that appealed to the BCA have continued their appeal to the State Board of Appraisers. Those cases have not yet been scheduled.

History of Mendon's Common Level of Appraisal (CLA) & Coefficient of Dispersion (COD) since the last reappraisal:

Year	CLA	COD	Year	CLA	COD
2015	101.15	13.79	2009	88.25	17.07
2014	103.41	15.28	2008	90.37	15.49
2013	105.13	13.59	2007	95.56	12.34
2012	106.05	16.46	2006	106.13	9.60
2011	97.42	18.47	2005	112.37	11.28
2010	91.39	19.04	2004	76.74	21.18

The Vermont Legislature has not changed the rules for Homestead Declarations.

A Homestead Property is owned and occupied by a VT resident as his or her principal home on April 1, and declared as a homestead on Form HS-122, Section A, that is filed with the VT Department of Taxes. A Homestead Declaration must be filed each year. The form can be downloaded at:

<http://tax.vermont.gov/sites/tax/files/documents/2015-HS-122-web.pdf>

I want to thank the voters of Mendon for their continued support. It has been a pleasure serving the town.

Respectfully submitted,

Spencer Potter, Vermont Municipal Assessor

## Cemetery Report

The Cemetery Reserve Fund contribution will remain at \$4,000 for the upcoming year. In the past, revenue from the sale of plots has covered the costs associated with cemetery maintenance. As the number of available plots decreases, this source of funding declines. Future goals of the Cemetery Commission include restoring older damaged gravestones, repairing fences around the perimeters, and possibly surveying land for an additional cemetery.

Respectfully submitted,

Michael Barone, Chair, Cemetery Commission

## Recreation Report

This past year had little activity to report on. There was not any progress on the projects at the Mendon Recreation Field this year. The Recreation Committee is looking for volunteers that can help with painting the dugouts, clearing trails of debris and spring cleanup. Please contact the town office if you would like to volunteer.

## **Barstow Youth Club 2015-2016 Annual Report**

This report covers the spring 2015 baseball/softball season, the summer 2015 music lessons, the fall 2015 soccer season, the winter 2015-16 basketball seasons, the winter 2015 indoor soccer season, and the spring 2015 outdoor soccer season.

The past year offered a variety of offerings to the youth in our community. We had the following number of children participate in our sponsored activities.

Baseball/Softball – 83

Summer Music – 15

Fall Soccer – 52

Winter Basketball (teams) – 40

Winter Basketball (K-2 Skills Sessions) – 30

Winter Indoor & Spring Outdoor Soccer – 12

Highlights from this past year include starting a K-2 winter basketball skills series with coaches and players from our 3<sup>rd</sup>/4<sup>th</sup> & 5<sup>th</sup>/6<sup>th</sup> grade teams. We also had a very successful soccer season in which our 5<sup>th</sup>/6<sup>th</sup> grade girls and boys teams played in the finals of the Rutland Recreation Fall Tournament.

Some of our upcoming plans include trying to raise funds for new youth basketball hoops that can be used at Barstow. We are looking for parents from our younger age divisions to step in and become active participants to help keep the BYC moving forward. Please think about volunteering.

Respectfully submitted,

Michael McLaughlin - acting Director of the BYC

Dave Gleed - Treasurer

Randy Johnson

Steve Senecal

Amy Merrill

Chris Gandin

George Schaffer

## Road Commissioner Report

We have implemented a 10 year resurfacing program on all paved roads for best practices and budgeting purposes. Some roads can extend beyond a 10 year lifespan with proper maintenance like crack sealing. The town did not do any paving this year.

There were three construction projects completed in 2015. The first project performed safety improvements to the Falls Road. The Falls Road connects Wheelerville Road to the Notch Road after TS Irene and is now the only access to the properties on the upper portion of the Notch Road, Clark Mason Road and Northam Road. Mendon contracted with Matt Towne, Towne Logging and Trucking for \$30,000 to eliminate a sharp blind corner on the road, regrade a steep hill and widen the road in sections. Matt did a great job completing this part of the project. The Road Crew reset four culverts and repaired ditch washouts as part of this project. The second project replaced culvert #07-68 with an 18" X 26' plastic culvert on Wheelerville Road and completed ditching in various places, reinforced the ditches with riprap and fixed washouts. Lastly, the Meadowlake Drive Erosion Control Project was completed. This project was funded with the assistance from a Better Backroads Grant. This project was partially completed in 2014 and finished up in 2015. The project added erosion control measures with ditch stabilization, bank stabilization and culvert replacement. This will reduce annual maintenance costs and prevent sediment from entering area surface waters. The town contracted with Seth Bridge, Mendon Trucking, to perform the excavation and complete the project with the assistance of the Road Crew. Total project cost was \$23,900 of which \$10,000 was supported by the Better Back Roads Grant and \$13,900 was paid by the town.

Sara Tully and I applied for and were approved to receive an Agency of Transportation Structures Grant for \$85,500 to replace a 48" X 40' steel culvert on Wheelerville Road. We are currently obtaining required state permits and are under contract with Edman Kesselring Consulting Engineers. Construction is expected to be completed in 2016.

The town replaced Truck #3 with a 2015 Ford F550 for \$86,782 and the 2007 Ford F550 was sold for \$22,000.

I have worked closely with the Selectboard and Phil Douglas to determine a cost effective solution to the deterioration of the foundation of the existing Salt and Sand Shed. The Selectboard is asking the voters to construct a new Sand and Salt Shed and utilize the existing building for cold storage. I encourage the voters to support the Town Garage Improvement Project and approve the \$285,000 bond.

Sara Tully and I continue to work on the various administrative requirements the State has imposed on municipalities. We are required to complete road, bridge, culvert and sign inventories. The town must adhere to Complete Street requirements for any road improvement projects. This legislation requires the town to consider all users of all abilities when planning and implementing road improvement projects. New legislation requires the town to create and submit a 10 year plan for ditching projects as well as obtain permits from the Agency of Natural Resources (ANR) to ensure proper erosion control measures are in place as well as requirements to ensure the protection of aquatic animals. You will note a new line item in the highway budget for these permits.

Greg Webster was hired as a part time employee to assist the road crew. I want to thank Scott Bradley, Newt Jones and Greg Webster for their continued dedication this year on the road crew. I count on and appreciate their hard work.

Respectfully submitted,  
William Ellis  
Road Commissioner

# **Minutes of the Mendon Town Meeting**

## **Monday, March 2, 2015**

### **Mendon Mountview Lodge**

Moderator Christopher Corsones called the Mendon Town Meeting to order at 6:02 p.m. Following the Pledge of Allegiance, Chris thanked Steve Olsen, owner of the Mendon Mountainview Lodge, as well as Maxum Davidov, the general manager, for their hospitality again this year.

Chris advised that the Town Meeting would present first this year. Chris then introduced Job Tate our new State Representative and thanked him for coming to our meeting. Job said that he and his wife were happy to be here, and introduced their son, Mendon. He also shared the good news that he and his wife are expecting another child. Job distributed a hand-out outlining the current condition, as he sees it, in Montpelier.

Megan Smith raised the question of healthcare and health connect. Matt Conway asked Job if he was familiar with Act 361. Job stated that while the Act was difficult to understand, he was not in favor of this Act. Matt said he disagreed with the 2% cap on education budgets. Erica McLaughlin stated that as a principal, she thinks the 2% cap, as a one size fits all concept, doesn't work. Amy Merrill felt that the education goals will be lost. Job stated that government needs to provide education, but needs to be married to the reality of what can be afforded.

Chris and the audience thanked Job for his input and following Job's departure, Chris referred to page 70 of the Town Report and began to address the proposed articles.

#### **ARTICLE 1: Shall the Town authorize the Selectmen to acquire by gift or purchase, land for municipal forest, to produce wood products, maintain wildlife habitat, protect water supplies, provide forest recreation and for conservation education purposes?**

Matt Conway made a motion to approve Article 1, and it was seconded by Jonathan Reynolds.

- Larry Courcelle displayed a large placard depicting the Proposed Jim Jeffords State Forest, and discussed access to the land and an easement in case of emergency, as well as parking areas.
- Larry displayed another large map of the Canty Trail.: The town has offered to maintain a parking area large enough for 3-4 cars.
- A third map showed a photo of Route 4 after Hurricane Irene near the Medway Bridge. There will be a 502 Hearing on February 19 held by the State Agency of Transportation.
- Map #4 will be available in the Town Office, and displays a culvert broken during Irene. The State's proposal is to rebuild it. A section of Rte 4 will also be rebuilt. Some of the berm along the banks of the stream will be removed allowing the stream to go where it wants to go. Construction will take a few months and can start as early as April, 2016 and will be completed by October, 2016. Amy Merrill asked who would be responsible for any future damage to the new culvert? Larry advised that would be the State of Vermont. Jim Ruth asked who owned the ravine. Larry stated Stonybrook Estate owns the land now. VTrans has been trying to contact them. Fred Bagley asked about where the ravine takes a turn would that be eliminated? Larry didn't have a definite answer. The new culvert will be made of steel. Cost will be \$1,900,000.00, not including engineering costs. Chris called for a floor vote to the motion. It was unanimously approved.

#### **ARTICLE 2: Shall the town authorize the Selectboard to set the hourly compensation rate for non-salaried employees, and in the event of an appointment of a town officer at mid-term?**

Steve Singiser made a motion to approve Article 2. It was seconded by Jennifer and upon vote, was unanimously approved.

**ARTICLE 3: To see if the Town will vote the Administrative portion of the budget to meet expenses and liabilities of the Town.**

Steve Singiser made a motion to approve Article 3. It was seconded by Ann Singiser.

Greg Smith, as representative for the Selectboard, displayed the summary page (page 9) of the Town report. Greg took a moment to advise everyone that after 9 years of service, he was resigning from the Selectboard, at the end of this week.

Greg referred to the overhead and stated that the Selectboard monitors expenses and the budget, as well as monitoring revenue, and follows it very closely. Greg noted that we have done well with our grants for bridges and culverts. Greg advised that we do not have an Auditor's Report in the Town Report, since the auditors ran into a delay and are finishing the paperwork now. We should have their report within thirty days.

Greg moved to amend the administrative portion of the budget to remove all healthcare spending for employees. Larry Courcelle seconded the motion. Greg stated that there are five employees who receive health benefits at approximately \$80,000.00 a year. Amy Merrill felt this action, which would affect the staff, is not a measure of their service.

Greg Smith asked for any input and guidance. After discussion, Greg withdrew his motion. Chris noted that Greg's motion was withdrawn.

Greg then moved to amend the administrative budget to add \$3,000.00; \$1,000.00 for each Selectboard member. That would raise the salaries to \$7,000.00. Justin Lindholm seconded the motion and it was unanimously approved.

Chris called for a vote on Article 3. It was unanimously approved.

Larry Courcelle then presented Greg Smith with a plaque and gift certificate in gratitude for his service on the Selectboard. Larry noted that there is now a vacancy on the Selectboard and asked people to consider serving their community.

Another presentation of flowers and gratitude was made to Karen Prescott, who is retiring from her position as Principal at Barstow after 17 years of service, at the end of this school year.

**ARTICLE 4: To see if the Town will vote the Community Infrastructure portion of the budget to meet expenses and liabilities of the town.**

Matt Conway made a motion to approve Article 4. It was seconded by Jennifer Bagley.

- A discussion about the Irene recovery fund and the highway improvement fund ensued.
- Concerning the salt for roads, Larry said that on average we use 600 tons of salt a year. This year has seen an increase in price of 40%, amounting to \$12,600.00 more in the budget.
- After establishing this Falls Road after the 2011 storm, we will continue to upgrade it as a class 4 road. We recently made some improvements to the road and right-of-way after gaining permission from land owners. We received some funding from FEMA for use on the improvements to this road
- As to the deterioration of the salt shed, built in 1986, the concrete walls were not constructed properly and the structural integrity is compromised. After more than a year of study and testing the

remaining structure, our engineer prepared scope of work and specifications so contractors can bid on the job. (No bids have been received.) After reviewing all bids a contractor will be selected, and then a special meeting will be called at the garage for a bond vote to get this work done. More information will be put on the website.

Fred Bagley and Megan Smith both noted the new Mendon sign on Rte 4 on the Mendon Orchard side of the road.

Chris called for a vote on Article 4. It was unanimously approved.

**ARTICLE 5: To see if the Town will vote the Public Safety portion of the budget to meet expenses and liabilities of the Town.**

Geoffrey Wells introduced both Constable Phil Douglas, as well as Special Officer Brent Howard. Geoff noted:

- We had to hire the Rutland Sheriff's department to help patrol our roads early in 2014. We could only afford 20 hours per week of sheriff patrolling and our law enforcement revenue declined because of that.
- Officer Howard was brought on board and he has completed all his training.
- Constable Phil Douglas has been trained, and will be patrolling roads shortly.
- In FY15, we updated police computers, incurred police vehicles maintenance, salary increases, as well as uniform and vest costs.

Phil Douglas advised we are not trying to discourage tourist by ticketing; however, when someone is speeding, they are endangering everyone. Years ago there were several fatalities on Route 4 and it is his object to keep our roads safe. Brent Howard added that he is all about saving lives as well as monitoring the roads. He stated that he will be touring all neighbors in Mendon.

Bert Winans moved to approve Article 5. It was seconded by Justin Lindholm and unanimously approved.

**ARTICLE 6: Shall the Town provide notice of the availability of the town report to the voters of the town in lieu of mailing or otherwise distributing the report pursuant to 24 V. S. A. Sec 1682? The notice of availability will be provided by public notice.**

Sara Tully advised that most towns have already adopted a policy of no longer mailing out Town Reports. The expense to do so is about \$2,500. If we no longer mail out reports, we could save the town about \$2,000.00. Fred Bagley asked if a certain number of reports would be available at Town Meetings. Sara acknowledged they would, as well as copies would be available in the Town Office. We will however, continue to mail out the the Warnings. Matt Conway was not in favor of this proposal.

Justin Lindholm moved to approve Article 6 and it was seconded by Amy Merrill. By floor vote, there was one nay, and the Article was carried.

**ARTICLE 7: Shall the Town appropriate \$1,200 for the Marble Valley Regional Transit District (The Bus)?**

Greg Smith moved to approve Article 6, and it was seconded by Ann Singiser. A discussion about the number of Mendon residents using The Bus ensued. Several people noted their family members' use of the bus, as well as riders headed to Killington. The representative for The Bus, listed several bus stops available to Mendon riders.

Upon floor vote, the vote to approve the Article was unanimous.

**ARTICLE 8: Shall the Town appropriate \$230 for RSVP and the Volunteer Center?**

Fred Bagley moved to approve Article 8, and it was seconded by Larry Courcelle.

Sara Tully moved to amend the amount of the appropriation to \$500. Wanda Courcelle seconded this motion. Upon floor vote, the amended motion was unanimously approved.

Matt Conway moved to approve Article 9 and it was seconded by Laura Coppola-Zmurko. Upon floor vote the motion was carried.

**ARTICLE 10: Shall the Town appropriate \$1,242 for Rutland Mental Health Services formerly Rutland Area Community Services?**

Jonathan Reynolds moved to approve Article 10, and it was seconded by Jennifer Bagley. Upon floor vote, the motion was carried.

**ARTICLE 11: Shall the Town appropriate \$400 for The Southwestern Council on Aging?**

Amy Merrill moved to approve Article 11, and it was seconded by Beth Charles. Upon floor vote the motion was carried.

**ARTICLE 12: To elect all necessary Town Officers.**

Chris asked Marie Conway when the polls would open on Tuesday. Marie advised the polls would open at 8:00 a.m. and close at 7:00 p.m. Chris noted that three people are candidates for School Board: Michelle Erickson, Erica McLaughlin and Rhonda Bates.

**ARTICLE 13: To transact any other business.**

A discussion ensued with regard to relocating the 911 Center, currently in Westminster, to a closer location. Another concern was expressed about the condition of properties, which are empty along Route 4, and whether anything could be done to improve their appearance.

Larry Courcelle stated that Mendon needs more people to volunteer their time and service to the community. He noted that both Greg Smith is retiring from the Selectboard, as well as Roy Prior has retired as Fire Warden. Thanks from the Town of Mendon for a job well done was extended to both people.

The Town Meeting portion of the evening was adjourned at 8:20 p.m.

Respectfully submitted:

/s/ Gregory Smith, Selectboard Chair

/s/ Christopher Corsones, Moderator

/s/ Marie Conway, Town Clerk

## Rutland Northeast Supervisory Union

... dedicated to the development of character, competence, creativity and community

### VALUES

- Caring ▪ Effort & Resilience ▪ Visual & Performing Arts ▪ Social & Personal Responsibility ▪ Acceptance & Celebration of Diversity ▪
- Mutual Respect ▪ Individual & Collective Achievement ▪ Appreciation of the Natural World ▪ Physical Health & Wellness ▪
- Lifelong Learning ▪ Equity ▪

### LEARNING OUTCOMES

Students are successful learners, workers and citizens by becoming:

- Academically Accomplished
- Effective Oral and Written Communicators
- Effective Collaborators
- Independent & Creative Thinkers
- Innovators & Problem Solvers
- Globally Aware & Responsible Citizens
- Community Contributors
- Physically & Emotionally Healthy
- Kind, Caring & Gracious
- Appreciative of Visual & Performing Arts
- Aware & Respectful of the Natural World
- Confident, Courageous & Persistent
- Responsible & Motivated Self-Advocates
- Respectful, Fair & Just Individuals
- Curious & Lifelong Learners

### LEARNING OPPORTUNITIES

Students participate in learning opportunities that:

- ...provide access to a rigorous academic curriculum
- ...engage students in authentic and relevant work
- ...integrate best and “next” instructional practices
- ...promote critical thinking & innovation
- ...are personalized & proficiency-based
- ...are both minds on and hands-on
- ...are project/problem based
- ...are interdisciplinary
- ...include community service & service learning experiences
- ...engage students in the natural world
- ...integrate the effective use of technology
- ...are vocational and experiential in nature
- ...encourage student voice, ownership and leadership
- ...promote “habits of mind” or executive skills
- ...are extended beyond the school day, school year and school building

### OPERATIONAL SYSTEMS, RESOURCES & PRACTICES

The RNESU community is committed to fulfilling our mission and values by providing:

- Adequate Instructional Staffing
- Adequate Support Staffing
- Adequate Continuum of Intervention & Support
- Access to Quality Professional Development
- Adequate Instructional Resources
- Access to Current Technology
- Safe and Adequate Transportation
- Safe, Healthy & Efficient Facilities
- Equity in Access to Programs & Services
- Positive Learning Environments
- Effective Governance & Leadership
- Effective Professional Practices
- Effective Feedback, Assessment and Grading Practices
- Effective Communication
- Opportunities to Collaborate
- A Culture of Continuous Improvement
- Opportunities to Recognize & Celebrate Achievements
- Community Engagement

### NEEDS ASSESSMENT & PROGRAM EVALUATION

RNESU will assess student outcomes and evaluate programs based on:

- Regular Review of  
RNESU, School and Grade Level Profiles
- Regular Review of  
State, RNESU, School, Grade Level and  
Individual Student Data

### PROGRAM DEVELOPMENT & IMPLEMENTATION

RNESU will develop and implement programs with attention to:

- The Common Core State Standards
- Vermont Educational Quality Standards
- Vermont School Quality Standards
- Common Board Policy
- Multi-Year Supervisory Union Action Plan
- Annual School Action Plan
- Professional Goal Setting
- Student Goal Setting

# **RUTLAND NORTHEAST SUPERVISORY UNION**

## **Superintendent's Report January 2016**

Rutland Northeast schools have had quite an active year this past year. The Compact is alive and well and the focus within the Compact is on Brain Based Learning. All teachers in all seven schools received professional development on this framework of learning last summer, with a focus on the four principles of Emotional Engagement, Mental Models, Rapid Feedback and Targeted Practice. To help bring these principles forward, we have introduced weekly professional learning communities for teacher collaboration at the K-6 schools plus Barstow. The investment in our faculty and staff will help us meet our goals for our students in the RNESU compact going forward.

While the elementary schools focused on Brain Based Learning principles, Otter Valley introduced a student designed advisory system and continued its work on proficiency based learning. Middle schools have also been working hard at assessing how they are meeting the needs of students in our SU and looking at options for updating our learning environments. Barstow Middle has made great progress in integrating units with a reduction in teaching staff this year.

Our schools and communities have made great investments in heating and energy systems. Lothrop Elementary put in new wood pellet boilers and air exchange system over the summer. Both Otter Valley Union High School and Neshobe Elementary School received voter approval in November, 2015, to put in new energy efficient heating systems. These systems are expected to be in place for next school year.

The School Boards negotiated an agreement with the paras and bus drivers this year. This agreement is both fiscally responsible yet keeps our valued employees in line with their colleagues for pay and benefits. The Boards are entering negotiations this school year with teachers and again with paras and bus drivers, navigating the new world of changing health insurance systems at the same time.

Two new principals were hired this year. With the retirement of Karen Prescott after 17 years at Barstow Memorial, the Board hired Renee Castillo who started in July. Karen was honored by the Board for her years of service with a plaque naming a wing of the school after her. Renee comes to us from California, with family in the area, and has stepped in nicely to the position as she and her husband and children are settling nearby.

Sara Raabe left the Lothrop School after three years of service and Debbie Alexander of Castleton, Vermont was hired to replace her. Debbie hit the ground running with a fire in the old boiler in the first few weeks of school. Debbie is already familiar with many of the locales and people in Pittsford and is settling right in as well.

This fall brought board and community conversations about a governance merger under Act 46. By the time this goes to print, that vote will have been completed. This town report, not knowing the result of that vote, will include budgets for both the town as well as the merged system for readers to delve into. In my short time in Rutland Northeast, I have quickly learned of the incredible support and collegueship our towns give to our children. Our systems are in place for a successful merger, our relationships are solid, and we will do what is best for our children together. I look forward to continuing the work of the Compact with the communities in the coming year.

With great respect and appreciation,

*Jeanné Collins*

Superintendent of Schools

# Mendon School District Director's Report

We have had quite a few changes to Barstow this school year. Karen Prescott, our Principal of Barstow for 16 years, retired in June 2015. We welcomed Renee Castillo as Barstow's new Principal. She has been working hard and is fulfilling her role as Principal of our wonderful school.

The middle school has also seen changes. The middle school went through major programing restructuring this past summer. With help from Andy Kepes, RNESU Director of Curriculum, Instruction and Assessment, we implemented a new middle school model for the 2015-16 school year. We have a great team of teachers that have worked really hard! In order for the new model to work some of our teachers acquired dual certification in subjects they previously hadn't been certified to teach. The middle school has moved toward project-based learning and we find that our students are really engaged.

The State of Vermont passed Act 166 which is aimed to make Universal Pre-Kindergarten mandatory in September 2016. Schools are required to provide publicly funded Pre-K for a minimum of 10 hours per week for 35 weeks for children ages 3-5. In the spring of 2014, the State Board of Education set new rules for Education Quality Standards. It revised the expectations for what students will experience in schools in Vermont. EQS has high expectations for our schools to meet the needs of today's students. If you would like to read more about EQS please visit <http://education.vermont.gov/state-board/rules/2000>

Our biggest challenge was Act 46; a new law aimed at school governance consolidation to provide efficiency and equity. Tax incentives exist for districts that voluntarily merge by June 2017. RNESU, as well as Barstow, formed study committees which spent countless hours deciding on how we were going to merge districts under this new law. From September 2015 through January 2016, the study committees met with community members, reviewed documents and worked hard to create new districts for voter approval. Results include student achievement, fiscal sustainability and transparency and to preserve community values. We decided on a side by side model under RNESU; this means two districts under one SU, Barstow Unified School District and Otter Valley Unified School District. Our goals for Barstow were to keep the school the same with as little impact as possible. We wanted to remain in the Rutland Northeast Supervisory Union, take advantage of the tax incentives and keep high school choice for grades 9-12. We are happy to announce that all schools districts within RNESU passed yes votes on January 19, 2016 to create the new side by side model! We would like to thank all those that came out to our public forums to learn about the new law, voice your concerns or offer input. Most importantly thank you for your support by coming out to vote!!! The vote dissolves the Mendon School District and the Chittenden School District as well as the Barstow Joint Agreement and created a new Barstow Unified School District. This means that instead of two districts and three budgets we will have one district and one budget. Mendon and Chittenden will have the same tax rate but that rate will be adjusted by each town individually via CLA, or Common Level of Appraisal.

The Mendon School Budget is up 5.02% or \$124,017. Mendon has an increase in student numbers and our share of the Barstow Assessment has increased from 43% to 45%. Increases in Special Education and high school tuition are big drivers of the budget increase. In addition, town assessments previously included just grades K-8 but will now be absorbing Pre-K since that has become mandatory via Act 166. Overall the Mendon Estimated Homestead Tax Rate after CLA adjustments will be going up 3 cents.

The Barstow budget went up 2.16% or \$77,207. Changes include 30% FTE (full time equivalent) increase Pre-K Teacher and Pre-K Paraprofessional and 50% FTE increase Elementary Teacher. Health Insurance increased as well. The Transportation Assessment was reduced \$60,000 due to a shift in revenues. We are currently in negotiations for teacher salaries/contracts.

In closing, the board strives to be fiscally responsible to the taxpayers while doing our best to offer the best education possible to the students of Barstow. We wish you a good year.

Respectfully submitted,

Mendon School District Directors:

Michelle Erickson, Chair

Erica McLaughlin

Chris Gandin

# Barstow Memorial School Annual Principal's Report 2015-2016

Dear Community Members,

I would like to begin my report by saying that it is an honor to work at Barstow Memorial School. The students, staff, families, and community are amazing and everyone works so hard to support the educational process. I appreciate everyone's contribution to our school and our students.

My family and I are continuing to adjust to our new life here in Vermont and we absolutely love it. My husband is attending College of St. Joseph as a full time student in the radiology technologist program. My son began his freshman year at Mill River High School and my daughter is in fifth grade at Shrewsbury Mountain School. Everything just seemed to fall right into place as we journeyed from California to Vermont, which reaffirms that moving back to the region where I grew up was a great decision.

It has been a year of change at Barstow as well. Not only has new leadership been something that everyone needed to adjust to, but we also had quite a few staff members retire and a change to the structuring of our middle school program. Our enrollment has grown slightly since this time last year too. We currently have 205 students preschool - 8<sup>th</sup> grade.

In our primary and intermediate grades, exciting new learning opportunities are taking place. Our kindergarten and first grade teachers have started an outdoor education program with their classes. We have also updated the use of technology among our primary students. Now all students have technology integrated into their instruction through the use of Chromebooks to enhance their learning. Parents and community volunteers continue to support our 4 Winds outdoor education program, which provides further enrichment opportunities for our students.

Our middle school program has shifted its focus from teaching content areas in isolation to an integrated teaching model. Through extensive planning and collaboration by the teachers, units of study are developed and presented to students in a way that allows for the integration of concepts across language arts, science, and social studies, as well as math and the arts as appropriate.

Our students continue to score above their peers in the state on annual Vermont assessments. On the new Smarter Balanced Assessment Barstow students, depending on their grade, scored proficient or above in language arts (44% - 89%) and mathematics (44% - 71%). On the New England Common Assessment program in science, 73% of our fourth graders and 78% of our 8<sup>th</sup> graders scored in the proficient range.

Over the past year, we have been able to maintain the upkeep of Barstow through the replacement of our two boilers, general maintenance of the house that is on the school grounds, and during December break one of the boy's bathrooms will be retiled.

As the saying goes, "It takes a village to raise a child." We want to thank all of the volunteers that support our students in and outside of school. We have a strong Parent/Teacher Organization that continues to support the education of our students through annual events and fundraising. We also have

the Mentor Connector program that provides students with a personal mentor and making meaningful connections for students. Finally, our local community experts and volunteers that continuously support student learning through projects such as our Leffert's Pond project.

In October the board acknowledged our previous school administrator, Karen Prescott, by dedicating a wing of the school as the “Karen E. Prescott Wing of Excellence.” Her many years of service and leadership are greatly appreciated by the Barstow students and community.

In closing, I am excited to continue learning about Barstow's rich history and to continue to build relationships within the Barstow community. We have amazing students and staff here and are lucky to have such strong community support.

Sincerely,

Renee Castillo, Principal

Bartow Graduating Class of 2015

# SCHOOL LEGAL NOTICES - TOWN OF MENDON

**School Board** - The School Boards welcome your input on all issues. The Mendon Town School Board meets on the third Monday of each month at 6:45 PM at the Barstow Memorial School. The Barstow School Board meets on the third Monday of each month at 7:00 PM at the school. Please call the school at least a week in advance in order to assure time for you on the agenda and to see if there have been any postponements or cancellations.

**Equal Opportunity** - The Rutland Northeast Supervisory Union insures equal employment and educational opportunities regardless of race, color, handicap, national origin, or sex.

**Students with Disabilities** - The Rutland Northeast Supervisory Union is required by federal laws IDEA-B (Formerly EHA-B) and Section 504 and state regulations to identify and locate all persons with disabilities between the ages of birth and 21 who may be in need of regular education, special education services or accommodations in accessing public education. If you know of any individual residing in the town of Mendon who you suspect of having such needs, but who is not currently receiving them, please contact Director of Special Services, Marsha Bruce, at (802) 247-5757 or the school principal for your town.

**Records Review** - As provided under federal and state laws and regulations, all parents and legal guardians are hereby notified that they have a number of rights under FERPA (the Family Educational Rights and Privacy Act). You may inspect the educational record, request an amendment or file a complaint. If you find this necessary, please contact your school principal. You may also contact your school for a copy of the RNEsu Records Policy, which outlines your rights under this law.

**Asbestos** - The Asbestos Hazard Emergency Response Act [40 CFR 763.93 (g) (4)] requires that written notice be given that the following schools have Management plans for the safe control and maintenance of asbestos-containing materials found in their buildings. These Management Plans are available and accessible to the public at the administrative offices of each facility listed below. Please contact the building Principal if you wish to read this plan.

1.	Barstow Memorial School 223 Chittenden Road Chittenden, VT 05737	James Ashby	773-3763
2.	Rutland Northeast Supervisory Union 49 Court Drive Brandon, VT 05733	Brenda Fleming	247-5757

**Audit Reports** - Certified Public Accountants audit reports are available for public inspection. These may be found on the Rutland Northeast Supervisory Union website at [www.rnesu.org](http://www.rnesu.org) or by calling the business office at (802) 247-5757.

**Protection of Pupil Rights Amendment Notification (PPRA)** – PPRA affords parents certain rights regarding our conduct of surveys. These include the right to:

- *Inspect*, upon request and before administration or use –
  1. Protected information surveys of students;
  2. Instructional materials used as part of the educational curriculum.

**Educator Quality** - Under the No Child Left Behind Act, parents may request information regarding the professional qualifications of their child's teacher. This information includes: whether the teacher has met the state requirements for the grade level(s) and subject area(s) they are teaching; whether the teacher is teaching under an emergency license; the college major and/or graduate certification or degrees held by the teacher; and whether their child is provided services by paraprofessionals and if so, their qualifications. During the 2014-2015 school year, 87.1% of core academic classes at Barstow Memorial School were taught by Highly Qualified Teachers (HQT) and 0% of the teachers were on provisional licenses.

**State Assessment Results** - Under the No Child Left Behind Act, students in grades 3 – 8 and 11 are assessed annually in reading, writing, math and science. School wide test results may be found on the State Agency of Education website at [www.education.vermont.gov](http://www.education.vermont.gov).

**RNESU Annual Report** - The RNEsu Annual Report and Profile is available electronically and may be found on the Rutland Northeast Supervisory Union website at [www.rnesu.org](http://www.rnesu.org) or by calling the Central Office at (802) 247-5757.

## Mendon Bond Debt Balances

The School District issues general obligation bonds and notes to finance the acquisition and construction of major capital facilities, renovations, and equipment purchases. General obligation bonds are direct obligations and pledge the full faith and credit of the issuing entity. These bonds are generally issued as 5 to 20-year serial bonds with equal amounts of principal maturing each year.

The following is a summary of general obligation bonds & notes:

Vermont Municipal Bond Bank, bond payable, and interest at 4.196%, interest paid semi-annually, principal of \$50,000 due on December 1<sup>st</sup> of each year until 2012, then \$45,000 due on December 1<sup>st</sup> of each year until 2022, originally borrowed \$950,000 on July 31, 2002 for FD Barstow School Renovation and Gym Project.

*Principal Balance Outstanding 6/30/15 \$360,000*

Vermont Municipal Bond Bank, bond payable, interest at 3.545% interest paid semi-annually, principal of \$5,000 due on December 1<sup>st</sup> of each year until 2018, originally borrowed \$75,000 on July 15, 2003 for FD Barstow Science Lab and 1930's Wing Storm Window Project.

*Principal Balance Outstanding 6/30/15 \$20,000*

Vermont Municipal Bond Bank, bond payable, interest at 3.525%, interest paid semi-annually, principal of \$20,000 due on December 1<sup>st</sup> of each year until 2012, then \$15,000 due on December 1<sup>st</sup> of each year until 2018, originally borrowed \$165,000 on July 22, 2008 for a new boiler at FD Barstow.

*Principal Balance Outstanding 6/30/15 \$55,000*

## Mendon Town School District

**June 30, 2015**

### Restricted Committed and Assigned Fund Balances

Restricted, committed and assigned fund balances represent amounts that must be used for specific purposes within that fund and cannot be spent otherwise without prior approval of funding source. A more detailed explanation is provided in Note 6 of the audit report.

Reservations at year end are for the following:

#### **General Fund:**

Fiscal 15-16 Budget            \$24,291

#### **Private Purpose Trust Funds:**

Education Foundation        \$ 48,371

Homestead tax rate per \$9,950 of spending per equalized pupil **1.00**

**11,065** Income dollar equivalent yield per 2.0% of household income

Expenditures		FY2014	FY2015	FY2016	FY2017
1.	<b>Budget</b> (local budget, including special programs, full technical center expenditures, and any Act 144 expenditures)	\$2,381,382	\$2,377,773	\$2,472,632	\$2,596,650
2.	plus Sum of separately warned articles passed at town meeting	-	-	-	-
3.	minus Act 144 Expenditures, to be excluded from Education Spending (Manchester & West Windsor only)	-	-	-	-
4.	<b>Locally adopted or warned budget</b>	<b>\$2,381,382</b>	<b>\$2,377,773</b>	<b>\$2,472,632</b>	<b>\$2,596,650</b>
5.	plus Obligation to a Regional Technical Center School District if any	-	-	-	-
6.	plus Prior year deficit repayment of deficit	-	-	-	-
7.	<b>Total Budget</b>	<b>\$2,381,382</b>	<b>\$2,377,773</b>	<b>\$2,472,632</b>	<b>\$2,596,650</b>
8.	S.U. assessment (included in local budget) - informational data	\$83,397	\$83,325	\$81,684	\$82,277
9.	Prior year deficit reduction (included in expenditure budget) - informational data	-	-	-	-
Revenues					
10.	Offsetting revenues (categorical grants, donations, tuitions, surplus, etc., including local Act 144 tax revenues)	\$428,367	\$398,824	\$401,002	\$522,171
11.	plus Capital debt aid for eligible projects pre-existing Act 60	-	-	-	-
12.	minus All Act 144 revenues, including local Act 144 tax revenues (Manchester & West Windsor only)	-	-	-	-
13.	<b>Offsetting revenues</b>	<b>\$428,367</b>	<b>\$398,824</b>	<b>\$401,002</b>	<b>\$522,171</b>
14.	<b>Education Spending</b>	<b>\$1,953,015</b>	<b>\$1,978,949</b>	<b>\$2,071,630</b>	<b>\$2,074,479</b>
15.	Equalized Pupils	172.60	166.56	160.73	155.10
Education Spending per Equalized Pupil					
16.	<b>\$11,315.27</b>	<b>\$11,881.30</b>	<b>\$12,888.88</b>	<b>\$13,375.11</b>	
17.	minus Less ALL net eligible construction costs (or P&I) per equalized pupil	\$401.00	\$413.39	\$438.29	NA
18.	minus Less share of SpEd costs in excess of \$50,000 for an individual (per eqpup)	\$4.54	\$5.22	\$13.98	NA
19.	minus Less amount of deficit if deficit is SOLELY attributable to tuitions paid to public schools for grades the district does not operate for new students who moved to the district after the budget was passed (per eqpup)	-	-	-	NA
20.	minus Less SpEd costs if excess is solely attributable to new SpEd spending if district has 20 or fewer equalized pupils (per eqpup)	-	-	-	NA
21.	minus Estimated costs of new students after census period (per eqpup)	-	-	-	NA
22.	minus Total tuitions if tuitioning ALL K-12 unless electorate has approved tuitions greater than average announced tuition (per eqpup)	-	-	-	NA
23.	minus Less planning costs for merger of small schools (per eqpup)	-	-	-	NA
24.	minus Teacher retirement assessment for new members of Vermont State Teachers' Retirement System on or after July 1, 2015 (per eqpup)	NA	NA	-	NA
25.	Allowable growth per pupil spending threshold (secs. 37 & 38, Act 46, 2015)	threshold = \$15,456 NA	threshold = \$16,166 NA	threshold = \$17,103 NA	District Threshold NA
26.	plus Excess Spending per Equalized Pupil over threshold (if any)	-	-	-	-
27.	Per pupil figure used for calculating District Equalized Tax Rate	\$11,315	\$11,881	\$12,889	\$13,375.11
28.	District spending adjustment (minimum of 100%)	123.651% based on \$9,151	127.962% based on \$9,285	136.260% based on \$9,459	NA
Prorating the local tax rate					
29.	Anticipated district equalized homestead tax rate (to be prorated by line 30) [(\$13,375.11 ÷ (\$9,950.00 / \$1,000))]	\$1.1623 based on \$0.94	\$1.2540 based on \$0.98	\$1.3490 based on \$0.99	\$1.3442 based on \$1.00
30.	Percent of Mendon equalized pupils not in a union school district	100.00%	100.00%	100.00%	100.00%
31.	Portion of district eq homestead rate to be assessed by town (100.00% x \$1.34)	\$1.1623	\$1.2540	\$1.3490	\$1.3442
32.	<b>Common Level of Appraisal (CLA)</b>	106.05%	105.13%	103.41%	101.15%
33.	Portion of actual district homestead rate to be assessed by town (\$1.3442 / 101.15%)	\$1.0960 based on \$0.94	\$1.1928 based on \$0.98	\$1.3045 based on \$0.99	\$1.3289 based on \$1.00
<p>If the district belongs to a union school district, this is only a <b>PARTIAL</b> homestead tax rate. The tax rate shown represents the estimated portion of the final homestead tax rate due to spending for students who do not belong to a union school district. The same holds true for the income cap percentage.</p>					
34.	Anticipated income cap percent (to be prorated by line 30) [(\$13,375.11 ÷ \$11,065) x 2.00%]	2.23% based on 1.80%	2.30% based on 1.80%	2.45% based on 1.80%	2.42% based on 2.00%
35.	Portion of district income cap percent applied by State (100.00% x 2.42%)	2.23% based on 1.80%	2.30% based on 1.94%	2.45% based on 1.94%	2.42% based on 2.00%
36.	Percent of equalized pupils at union 1	-	-	-	-
37.		-	-	-	-

- Following current statute, the Tax Commissioner recommended a property yield of \$9,955 for every \$1.00 of homestead tax per \$100 of equalized property value. The Tax Commissioner also recommended an income yield of \$11,157 for a base income percent of 2.0% and a non-residential tax rate of \$1.538. **New and updated data have changed the proposed property yield to \$9,870 and the income yield to \$11,065.**  
- Final figures will be set by the Legislature during the legislative session and approved by the Governor.  
- The base income percentage cap is 2.0%.

# **Minutes of the Mendon School District Meeting**

## **Monday, March 2, 2015**

### **Mendon Mountainview Lodge**

Moderator, Christopher Corsones called the meeting to order at 8:30 p.m. Chris introduced Michelle Erickson to start the School District Reports. Michelle noted that her term expires this year.

#### **ARTICLE I. To hear the reports of the Mendon School District Officers and take action thereon.**

Michelle advised that

- There are 201 students at Barstow in pre-K through 8<sup>th</sup> grades.
- At the end of this school year Karen Prescott, principal of Barstow, will retire and in her place L. Jenne from Potsdam, New York will take over that post.
- There is currently one teacher per grade. Kindergarten has 1.5, first and second grades have on 3 FTE each and both share a .5 FTE. Third grade has 2 FTE's.
- Michelle explained the new alpha-numeric grading system, as well as the NECAP results of grades 3 through 8, and 4 through 8. Matt expanded on how students are graded on standards now. Matt noted that the Reading Specialist was not what they had hoped for, so those duties will be assumed by the other teachers. Erica McLaughlin felt there was a need to keep a position if it has value.

Jonathan Reynolds reviewed the Barstow budget, it was noted that teachers' salaries are down 14%, while health costs are up 4.5%. High School tuition has risen \$500 per student. Jennifer Bagley wondered if the decrease in salaries was due to the 5 retiring teachers. Matt explained this is part of it, but also there is earned vacation and pay-outs which are due to those teachers. Megan Smith wondered if a policy shouldn't be put in place which would require all vacation time to be taken or lost. Matt explained that teachers unions have a large voice in that type of regulating.

#### **ARTICLE II. To have presented by the Board of School Directors of the Mendon Town School District its estimate of expenses for the ensuing year and to appropriate such sum as it, the Mendon Town School District, deems necessary for said expenses, together with the amount required to pay any balances left unpaid from the preceding year, expressing said sum in dollars in its vote.**

Matt took the floor to review the Mendon School budget which he felt was difficult.

- Mendon will pay \$93,000 more to Barstow than last year.
- While there are fewer students, Special Education costs were significant, however most of that money comes back to the town, but there is almost a one-year lag.
- Matt also noted that over the past 3 years, the budget has decreased by 2.45%. Matt explained the difficult concept of "ghost students" versus actual student count.
- Even more difficult to understand, Matt explained Act 361, which includes a State imposed 2% cap on any increase in the education budget as well as changes which are expected to affect school boards in the future..

Amy Merrill moved to approve Article II and it was seconded by Greg Smith and unanimously approved.

#### **ARTICLE III. To see if the voters of the Mendon Town School District will authorize the Board of School Directors to borrow money in anticipation of taxes to meet the necessary expenses of the district.**

Greg Smith moved to approve Article III, and it was seconded by Larry Courcelle. Matt stated this is pro-forma and it allows Mendon to empower the School Board of Directors.

Upon a floor vote it was approved unanimously.

#### **ARTICLE IV. To transact any other business proper to be done when met.**

There is no business.

**ARTICLE V: To elect School District Officers:**

- A. School Moderator for a term of one (1) year**
- B. School Director for a term of three (3) years.**

The School District Meeting adjourned at 9:09 p.m. until elections tomorrow, March 3, 2015.

Respectfully submitted,

/s/ Michelle Erickson, School District Chair

/s/ Marie E. Conway, Town Clerk

/s/ Christopher Corsones, Moderator

**Minutes of the Mendon Town School District Special Meeting  
Monday, January 18, 2016, 6:00pm  
Community United Methodist Church**

**Mendon School Board Members Present:** Michelle Erickson; Erica McLaughlin

Deb Singiser and Liz Stahura, Chittenden School Board Members, were also in attendance.

Michelle Erickson called the meeting to order at 6:00pm with the Pledge of Allegiance.

Michelle introduced the members of the Mendon and Chittenden School Boards.

A nomination was made by Matt Conway, seconded by Gerhard Seiller and passed to appoint Jack Kennelly as moderator for the meeting.

Michelle referenced the Articles to be voted on in the election taking place on Tuesday, January 19, 2016.

Michelle indicated that copies of the Articles will be available at the polls on Tuesday and that the polls will be open 7am-7pm.

**Act 46 Study Committee Members Present:** Matt Conway and Cort Jones. Matt Conway addressed the group (approximately 35 people) and talked about Act 46 and outlined what this vote will accomplish. A unified Barstow School District would be created and would include a new board made up of two Chittenden Directors, one Mendon member and one at-large member. Cort Jones addressed the group and talked about the benefits of centralized services. There was discussion regarding the tax rate and the CLA (common level of appraisal).

A motion was made by Sarah Tully, seconded by Mike Tully and passed to allow Kellie Becker to address the group. Matt responded to Kellie's comments that maintaining school choice is extremely important and that the Boards have chosen an accelerated timeline in order to realize tax benefits.

A motion was made by Erica McLaughlin, seconded by Cort Jones and passed to allow Deb Singiser to address the group.

Moderator Jack Kennelly thanked the Board and Committee members for their work.

He also thanked the Church folks for hosting the meeting.

A motion was made by Jay Knable and seconded by Cort Jones to adjourn the meeting at 6:55 PM.

Respectfully submitted,

/s/ Jack Kennelly, Moderator

/s/ Lisa Wilson, Recording Secretary

/s/ Michelle Erickson, Chair of School District

**Mendon Town School District  
Warning**

The legal voters of the Mendon Town School District are hereby notified and warned to meet at the Mendon Mountainview Lodge at 6:00 p.m. on February 29, 2016 to transact any business not involving voting by Australian ballot.

ARTICLE I. To hear the reports of the Mendon School District Officers and take action thereon.

ARTICLE II. Shall the voters of the Mendon town school district approve the school board to expend \$ 2,596,650, which is the amount the school board has determined to be necessary for the ensuing fiscal year? It is estimated that this proposed budget, if approved, will result in education spending of \$13,375 per equalized pupil. This projected spending per equalized pupil is 3.64% higher than spending for the current year.

ARTICLE III. To see if the voters of the Mendon Town School District will authorize the Board of School Directors to borrow money in anticipation of taxes to meet the necessary expenses of the district.

ARTICLE IV. To transact any other business proper to be done when met.

The meeting shall then be recessed to Tuesday, March 1, 2016 in order to vote on the following articles by Australian ballot. The polls will be open from 8:00 AM to 7:00 PM at the Mendon Town Hall.

ARTICLE V. To elect School District Officers:

- A. School Moderator for a term of one (1) year
- B. School Director for a term of three (3) years.
- C. School Director for one (1) year to finish a term of three (3) years.

ARTICLE VI. Shall the voters approve the Barstow Unified Union school district board, if the Barstow Unified Union school district is formed with operations commencing July 1, 2016, to expend \$5,821,502, which in accordance with the Barstow Unified Union School District formation plan, is the amount the school boards of Chittenden and Mendon town school districts have determined to be necessary for the ensuing fiscal year? It is estimated that this proposed budget, if approved, will result in education spending of \$13,349 per equalized pupils.

Dated at Mendon, Vermont, January 11, 2016.

**MENDON BOARD OF SCHOOL DIRECTORS**

Michelle Erickson, Chair	2016
Christopher Gandin, Clerk	2016
Erica McLaughlin	2018

## Recognition of Ten Years of Service

# Matthew Conway

Mendon School Director

Dr. Matt Conway served on the Mendon School Board from March, 2005 through June, 2015.

Matt helped facilitate many changes during his time as a board member. Among those are the renovation of the upper playing field, the successful passage of the boiler bond, and the implementation of all day Kindergarten at Barstow.

Matt's intricate knowledge of education finance laws have been a great benefit to the Town.

Matt served as chair of the board for three years during his tenure.

Thank you for your extraordinary service and dedication.

## Recognition of Nine Years of Service

# Greg Smith

## Mendon Selectboard

Greg Smith served on the Mendon Selectboard from November, 2006 through March, 2015.

During his time on the board, Greg supported the upgrade of the Town website, completion of major improvements to the Mendon Recreation Field, and the implementation of a town-wide 911 address renumbering.

Greg brought a great deal of financial expertise to the table. This was especially true during the aftermath of Tropical Storm Irene.

Greg served as chair of the board for seven years during his tenure.

Thank you for your generous commitment of time, support, and leadership.
