

Community Care Network Rutland Mental Health Services

In the year 2022, 28 towns in Rutland County supported the work of Rutland Mental Health Services through town giving. Our agency is committed to providing quality services regardless of an individual's ability to pay. The generous support of towns such as the Town of Mendon assures that quality services are available for their families, friends and neighbors. Services provided to town residents include:

- Individual Counseling for Children, Adults and Families
- Substance Abuse Treatment Services
- Emergency/Crisis Services
- Developmental Disability Services

During fiscal year 2022, Rutland Mental Health Services provided 270 hours of services to 19 Mendon residents. We value our partnership with the Town of Mendon in providing these much needed services and thank you for your continued support.
