

## Town of Mendon

To the Officers and Citizens of Mendon:

In 2021, the VNA & Hospice of the Southwest Region provided Mendon residents with exceptional home care, hospice, and community health services. From medically fragile infants with hi-tech needs to seniors who wish to remain independent at home, and those who are facing a terminal illness, we continue to bring medically necessary health care wherever it is needed, regardless of the location of residence, or complexity of health issues.

In the face of shrinking government and state reimbursements and rising healthcare costs, VNAHSR has continued to identify community needs and provide essential cost-effective healthcare services Mendon's most vulnerable individuals.

Last year VNAHSR's dedicated staff made more than 116,571 to 3,900 patients. *In the Mendon, we provided 249 visits to 19 individuals.*

Thank you for your continued support. With your vote of confidence, we will continue to fulfill our promise to your community to enhance the quality of life of all we serve through comprehensive home and community health services.

Sincerely,

Sara C. King, CEO  
VNA & Hospice of the  
Southwest Region
